

JOB POSTING

We are searching for a President/CEO for UCP of Mobile and Central Alabama. This position will act as a liaison with national, state, regional, and local organizations and influences the contributions of diverse groups of directors, donors, volunteers and community groups. The CEO works with the Board of Directors to assist in defining priorities and to build and develop teamwork between the agency and community volunteer leaders. The CEO will work with the VP of Programs and the CFO to continually refine and offer guidance in the implementation of the strategic growth plan to expand and position UCP of Mobile and Central Alabama as a leader in services and programs for persons with a disability. The ideal candidate will ideally possess a MBA, MPA or related advance degree with 7 of the most recent 10+ years of experience and a track record in strategic leadership of an organization. Will consider applicants

without the above mentioned degree should they possess extensive leadership experience in a related field. Must also possess a strong understanding of finance and performance management principles, as well as an in-depth working knowledge of the non-profit organizational laws and regulations. If interested, please email resume to jlw@johnstoneadams.com. EOE
